

US Youth Soccer Olympic Development Program (ODP)

Announcing 2026/27 ODP Tryouts for Southern Nevada - Save the Dates

Nevada Youth Soccer is excited to announce Tryout dates for the 2026/27 ODP cycle. All NYSA players are invited to sign-up to TRYOUT and represent Southern Nevada at the US Youth National ODP Event in Phoenix, AZ.

ODP Program is open to all boys and girls players U11-U17 (2016-2010). Players are required to attend at least one of the tryout sessions listed below. We encourage attending all three sessions if you are available. Southern NV ODP pool for each age group will be announced right after the 3rd tryout session.

We are pleased to announce that we will be utilizing **college coaches** from some of the leading collegiate programs to conduct tryouts, coach and train the teams in conjunction with local club coaches. All the teams will have training sessions at least once a month until the Jan 2027 tournament in Phoenix AZ.

Please use the link below to register for the tryouts.
